## NHS vs SFE

- **SFE = Travel grants for students studying abroad**

You must pay the first £303 of your travel costs - and your travel grant will be reduced by £1 for each £8.73 of household income over £39,796.

Keep your travel costs as low as possible without being impractical.

### **If you're on a study or work placement abroad**

You can apply for:

- up to 3 return journeys between your home and the overseas institution during a full academic year abroad
- help with essential expenses, medical insurance and travel visas

You may be able to apply for your children's travel costs if you're a single parent.

## NHS vs SFE

# Scholarship • Bursary • Grant • Loan

## SCHOLARSHIP

Financial award based on academic or other achievements.

## BURSARY

Financial assistance based on need or specific criteria.

## GRANT

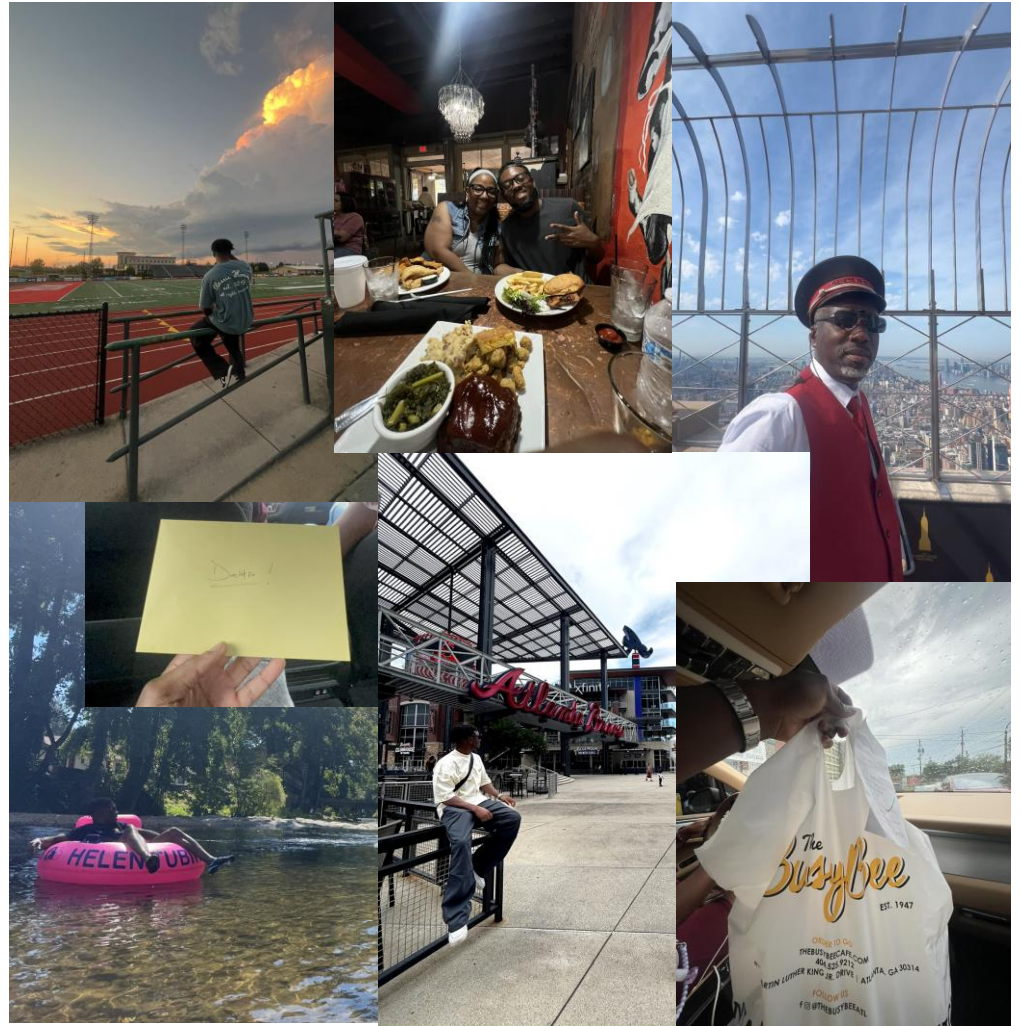

Non-repayable funds given for a specific purpose.

## LOAN

Borrowed money that must be paid back with interest.

# Turing Funding

Dear MBChB students,

We hope you are all well. As some of you may not have access to electives information on Minerva due to intercalation/non-registration, you will need the updated guidance regarding the Turing Scheme. Dr Lenton and the Electives Team met with the Turing Scheme Team to discuss funding allocations for the electives in 2025.

Unfortunately, we were informed that any students who are intercalating at universities outside of the University of Leeds or students who are not registered at the University of Leeds, are not eligible to apply for this funding. We wanted to make you aware of this in case you were factoring in Turing Scheme funding into your elective placement planning.

The guidance regarding eligibility on the Turing Scheme website is as follows:

According to our records, you received your Turing Scheme Travel grant [on Friday, June 21<sup>st</sup>](#) for the amount of **£905.00**.
