Flexible Health – tailored to suit your needs and budget

If you are taken ill, our Flexible Health policies can give you access to the best healthcare possible, as quickly as possible, at a time convenient for you. So you can get back to doing what you do best.

Each policy includes 24/7 access to Remote GP Services and Health and Wellbeing Helplines. There are a range of joining (underwriting) terms available and no medical examination is required. A maximum joining age of 65 applies. Pre-existing and long term medical conditions may not be covered.

Professional Discount

Why not take advantage of our discounts on health insurance for professionals?

If you qualify, a 20% discount is available up to the age of 55, diminishing by 2% every year until the age of 65. Your family member(s) on the Policy also benefit from this discount.

As a medical professional, you will also receive an ongoing 10% discount (once any promotional discount has eroded). For qualifying criteria and our list of recognised professions visit wpa.org.uk/qualify
